Byron Embry

CEO and founder of Closing Remarks, LLC;
professional speaker and former baseball player

"Baseball gave me the confidence to stand in front of huge crowds. Toastmasters afforded me the confidence to speak to those crowds."

Marilyn vos Savant

Guinness World Record Holder for "highest IQ" and syndicated columnist for Parade magazine. She recommends Toastmasters to a woman asking for advice on how to be less introverted:

"I suggest joining your local Toastmasters club, an international organization best known for helping people become better speakers. But in fact, membership has far more benefits than just that one. You will find yourself in the company of all sorts of people, some of them just like yourself. With the aid of this group, you'll learn how to become comfortable with people and eventually enjoy the very interaction you now dread."

THE PROVEN WAY TO BECOME A BETTER SPEAKER

What's in it for you?

Toastmasters will give you the skills and confidence you need to effectively express yourself in any situation. Whether you are a professional, student, stay-at-home parent or retiree, Toastmasters is the most efficient, enjoyable and affordable way of gaining great communication skills. By learning to effectively formulate and express your ideas, you open an entirely new world of possibilities. You'll be more persuasive and confident when giving presentations, and you'll improve your one-on-one dealings with others.

How does it work?

Everyone in a Toastmasters meeting was once at the level you are now. The environment is friendly and supportive, and the self-paced program allows you to build confidence with each speaking assignment. And you'll love the applause! Constructive evaluation is the heart of the Toastmasters program. Each time you give a prepared speech, an evaluator will point out strengths and suggest improvements. At first you'll be applauded for your effort; later you'll be applauded for your skill.

Since 1924, Toastmasters International has helped millions of men and women become more confident in front of an audience. Our network of clubs and their learn-by-doing program are sure to help you become a better speaker and leader. Why pay thousands of dollars for a seminar when you can join a Toastmasters club for a fraction of the cost and have fun in the process?

CREATING LEADERS

Leaders are good communicators.

Leadership is the art of persuading others to do what you wish to be done. To do so, you need to communicate and you need to work as a team. In Toastmasters, you'll do both. And you'll find out how to vary your approach to suit the needs of different people, be they the audience for a speech, the committee for a fundraiser or the members of your family.

Don't delay!

Become the speaker and leader you want to be. Confident, charismatic leaders weren't born that way. As you progress in Toastmasters, you'll get to practice your skills by organizing and conducting meetings and motivating others to help you. Become a better negotiator. Gain trust. Sharpen your management skills. Inspire your team. Be decisive!
